Please ask the rabbi and the president of your synagogue to include the attached prayer in the regular prayer service and please include it in your daily prayers.

Prayer for the Welfare of Israel's Captives and MIAs

May He who blessed our forefathers, Abraham, Isaac, and Jacob, Joseph, Moses and Aaron, David and Solomon, bless, protect and watch over the Israel Defense Forces soldiers missing-in-action and the captives:

Eldad son of Tova (Regev)
Ehud son of Bracha (Goldwasser)
Gilad son of Aviva (Shalit)
Yehonatan son of Malka (Pollard)
Guy son of Rina (Hever)
Ron son of Batya (Arad)
Zacharia Shlomo son of Miriam (Baumel)
Yekutiel Yehuda Nachman son of Sarah (Katz)
Tzvi son of Penina (Feldman)

amongst all of our brothers of the House of Israel who are in distress and captivity. Because the community is praying for them, may the Holy One Blessed Be He have abundant mercy upon them, remove them from darkness and the shadow of death, break open their shackles, and deliver them from their distress; and return them to their families and loved ones. "They will praise G-d, His kindness and the wonders He does for man." And may it manifest for them as it is written: "The redeemed of G-d shall return and come to Zion in joy and with the blessing of eternal happiness upon their heads. Joy and gladness will reign and tragedy and sorrow be dispelled." And let us say Amen!
